Allah Ta'laa said: And We have certainly made the Quran easy to remember. So, is there anyone who will be mindful?

To My Deceased Mother and Father

&

My Lovely Wife and Family Members

PREFACE

I want to thank Allah ﷻ, the almighty, for giving me the blessing and for sanctioning me with the confidence to fulfill this task. Without his extreme mercy, I would not be able to start using my pen. It's a great honor and blessing from Allah that he has provided me with this special blessing.

Peace and blessing to our beloved last prophet Muhammad ﷺ and his family members. It's great honor to be follower of the last prophet Muhammad ﷺ.

I appreciate and thank Ustad Mufti Tosir Miah Sahib, the Director, and Founder of Darul Ilm Birmingham. Without his tremendous efforts and sacrifices, I could not find a space in the Alim program. I always make dua for Mufti Sahib and his madrasah.

I also personally thank and appreciate Ustad Mufti Mohammed Waleed Ahmed Sahib who were the honorable ustads. He always helps with duas, great advice, and understanding of various subjects. May Allah accept him.

I want to thank my deceased parents and family members. Without my parents and siblings sacrifices, I could not think of myself. With the mercy of Allah, their tremendous amounts of sacrifice helped me start this Alim program. May Allah forgive me deceased parents and bless them Jannatul-Firdaus. May Allah bless Jannatul-Firdaus to all my siblings and family members.

I want to thank my wife Hafiza and Mawlana Mosamath Ansari for her biggest sacrifice. Without her biggest sacrifice, I could not have reached this level. May Allah accept her sacrifice. May Allah also accept my father-in-law Hafiz and Mawlana Md Saifullah Ansari for his duas.

I am a third-year student of the Aalim Program in Darul Ilm Birmingham. During my second year of study, I started thinking about writing my second kitab and I wanted to associate myself more with the book of Allah. Therefore, I thought why not let's collect those dua's that Allah taught us in Al-Quran.

As a seeker of knowledge, I may have made so many mistakes and errors. I ask forgiveness from Allah ﷻ for any shortcomings, errors, and mistakes. If you find any mistakes or errors, or if you have any advice feel free to email me through publication.mohammadislam@gmail.com. In'Sha'Allah, I will try to correct those in my next version.

May Allah ﷻ accept these small efforts. May Allah ﷻ forgive my family, whomever my family violated any rights. May Allah ﷻ bless Jannatul Firdaus to my family and whoever my family violated any rights. May Allah reward the reader of this kitab

generously. May Allah ﷻ save all of us from the punishment of Hellfire and bless us Jannatul Firdaus

(Ameen).
